From the Crass email below, it looks like the mailing will occur in early December.

Not quite yet Chuck, but we will alert the parties prior to mailing. We are finalizing some details with AECOM (who will be generating the master list and then managing the data) and have verified the list of property owners from Juneau County. We have a couple of details to run down with Wood County and have a question out to them in this regard. When we have a target in mind in early December we will circle back.

We understand that the mass mailing to the well owners may occur very soon. Can the Coalition tell me the anticipated date for that mailing?

Thanks, Chuck
